

3 Simple Steps

to reveal the hidden value
in any property photo with
AI!!

First Impressions

In real estate, a photo can make or break a sale. So what do you do when a property is rundown and not "photo ready?"

That's where AI can help!

Step 2: AI Prompts

Create 10 midjourney prompts for a remodel inspiration design before and after pictures. Leave the 'seed image placeholder' and use the seeded image as the 'before' picture. Create beautiful stunning pictures of this property using a modern craftsman style design, be creative and imagine what the property could look like. Use a DSLR camera and a wide-angle lens, during the day time or magic hour for lighting --ar 16:9 . For each midjourney prompt, provide a title on the line above each prompt, leave [seed image placeholder] after prompt: and spacing between.

Title: Modern Craftsman Exterior Transformation

/imagine prompt: [seed image placeholder], Modern Craftsman exterior transformation with elegant lines, warm color palette, and natural materials, during the golden hour, wide-angle lens, using DSLR camera --ar 16:9 --c 50 --s 500

Title: Inviting Front Porch

/imagine prompt: [seed image placeholder], Inviting front porch with cozy seating, lush greenery, and charming lighting, during the day time, wide-angle lens, using DSLR camera --ar 16:9 --c 50 --s 500

Title: Open and airy living space

/imagine prompt: [seed image placeholder], Open and airy living space with high ceilings, abundant natural light, and a seamless blend of modern and craftsman elements, during the day time, wide-angle lens, using DSLR camera --ar 16:9 --c 50 --s 500

Title: Chef's Dream Kitchen

/imagine prompt: [seed image placeholder], Chef's dream kitchen with sleek countertop, top-of-the-line appliances, and ample storage, during the day time, wide-angle lens, using DSLR camera --ar 16:9 --c 50 --s 500

Title: Serene Master Bedroom
